Cumulative Grade Point Average:

Grade Point Average for Coursework Related to Major:

Name of your Faculty Advisor:

By signing below, I acknowledge that I have read the

G.E.M. Environmental Scholarship Rules and Regulations.

Signature of the Applicant: _____ Date: _____

Please attach the following documents to your application:

- (1) A letter of recommendation provided by a faculty member or advisor from your school.
 - Letter of recommendation must be submitted by the advisor to scholarships@gemenvironmental.org
- (2) A one to three-page statement explaining your academic goals, achievements, research, and/or plans for continuing education to be evaluated by a funding committee.
 - Race, ethnicity, gender, sexual orientation, and political affiliation will not be considered in the application process and should be excluded from the statement. Scholarships are awarded purely on the applicant's enrollment in STEM programs and their desire to contribute to their field.
 - Submission essays are not to contain the applicants name, their family members names, or any other identifying information.
- (3) A copy of your latest transcript. (Unofficial transcripts will be accepted if submitted in a form that have not been edited or manipulated)
- (4) Any other documents may be submitted in support of your application.

Submit applications online at <https://www.gemenvironmental.org/scholarship.html>
or via email to scholarship@gemenvironmental.org
