

# G.E.M. ENVIRONMENTAL EDUCATIONAL PROGRAMS

**G.E.M. Environmental's paid Vocational Internships encourage early career planning and help establish an avenue for job placement after graduation.**

**Students participating in internship programs report a 53% direct job placement rate\*.**

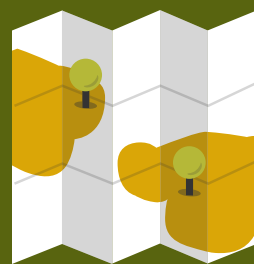

**Working with Federal and State agencies, participants in the G.E.M. Environmental Field Experience Program have the unique opportunity to broaden their knowledge base by learning valuable on-site job skills.**

**90% of students participating in applied learning projects reported working within their respective fields of study\*.**

**G.E.M. Environmental Scholarships are designed to help students fund educational programs, continue their education on to the next level, purchase books, or pay down accumulated student loan debt.**

**Applications are accepted on an on-going basis.**

**Whether it's an internship, scholarship, or field work, our educational programs work to foster academic achievement, help students develop relationships with industry professionals, and provide opportunities for integrated learning and community engagement.**

# PARTNERSHIPS

G.E.M. ENVIRONMENTAL IS SUPPORTED BY LOCAL AND NATIONAL ORGANIZATIONS. SOME OF OUR PARTNERSHIPS INCLUDE:

# ABOUT US

G.E.M. ENVIRONMENTAL IS A NON-PROFIT SCIENTIFIC CHARITY WORKING WITH GOVERNMENT AGENCIES TO PROVIDE SAFE ACCESS TO PUBLIC LANDS.

IT IS OUR MISSION TO CREATE AN AVENUE FOR THE ADVANCEMENT OF UNDERREPRESENTED STUDENTS AND RECENT GRADUATES OF STEM PROGRAMS (SCIENCE, TECHNOLOGY, ENGINEERING, MATH) INTO INDUSTRY CAREERS BY PROVIDING CROSS TRAINING IN GEO-SCIENCE FIELDS.

WE ARE ACTIVELY ENGAGED IN THE CONSERVATION OF PUBLIC LANDS AND PROVIDE DATA COLLECTION SERVICES, ENVIRONMENTAL MONITORING/ MAINTENANCE, AND REMEDIATION/ SITE CLEAN-UP FOR ABANDONED AND POTENTIALLY HAZARDOUS MINING SITES.

*"We've created new avenues for students who have fallen between the cracks, unnoticed by distinguished academics. Science is for everyone willing to put in the effort!"*

*-Eric M. Welsh, Executive Director*
