

G.E.M. ENVIRONMENTAL

EDUCATIONAL VOLUNTEER OPPORTUNITIES

GET INVOLVED

We are looking for lecturers to give talks at Yavapai College, Prescott College, and local high schools. Our goal is to expose students to "real world" scientific experiences so that they may discover the range of opportunities available within the realm of STEM careers.

MAKE A DIFFERENCE

Talks are scheduled throughout the semester and expose students to a number of industry professionals. Sharing your experiences can help students land jobs after graduation!

GET SUPPORT

Lecturers are compensated for their time and may be compensated for travel. G.E.M. Environmental also provides assistance with course curriculum design.

SIGN UP TODAY!

For more information on how you can participate, please visit gemenvironmental.org/volunteerlecturers.org or email us at contactus@gemenvironmental.org.

G.E.M. Environmental is a scientific non-profit headquartered in Prescott, AZ. Our mission is to bring educational resources to underrepresented students through scholarships, paid internships, and field experience within the STEM fields.

SCIENCE STORIES

SIMPLE QUESTIONS WITH A BIG IMPACT

MONTHLY BLOG SERIES

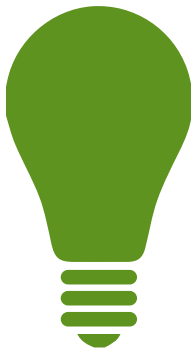

Each month, G.E.M. Environmental interviews a STEM scholar, student, or community member and asks them questions like why they believe the STEM fields are important, how they got started in their field, to what they would do if they hit the jackpot.

IMPACT AND PURPOSE

The goal of Science Stories is to inspire people from different backgrounds, introduce a variety of STEM fields, and create new conversations.

FREE PROMOTION FOR YOU AND YOUR BUSINESS

Interviewees have the opportunity to share information about their current projects, portfolios, links, pictures, and more. Let us help you spread the word about the amazing work you're doing!

GET INVOLVED

It's easy to participate. Just visit gemenvironmental.org/sciencestories.org and fill out the form, upload pictures you'd like to share, and include any links. You'll be contacted when your interview will go live. Questions can be directed to amie@gemenvironmental.org

STAY CONNECTED

We offer a variety of volunteer opportunities and ways to get involved in the community, such as park clean-up days, trivia nights, building projects, and more. Visit gemenvironmental.org for updates, or sign up for our newsletter via our website so you don't miss a thing.
